### SANGYAHARAN

Bharatiya sangyaharak association was established in 1996 at the India's holy city of Varanasi. Aim of the association is to bring the specialists of indian medicine, who are working in the field of pain relief and sangyaharan, under one umbrella. Association also aims to protect and safe guard the rights of anaesthesiologists of indian medicine.

It organizes conferences every year and provides platform for the young scientists to present their research work and to have exchange of thoughts amongst them. Since it is very important to keep pace with the developments in the field of pain relief, organization conducts seminars and workshop in regular. "Sangyaharan shodh" is the official journal of the association and published bi-annually.
